V1:
A
Skies lay low where You are
Bm7 D F#m
On the earth You rest Your feet
A
Yet the hands that cradle the stars
Bm7 D F#m E A
Are the hands that bled for me (for me)

CH1:
D A
And in that moment of glorious surrender
D F#m
You were broken for all the world to see
D
Lifted out of the ashes
F#m E A
I am found in the aftermath

V2:
A
My freedom found in Your scars
Bm7 D F#m
And in Your grace my life redeemed
A
For You chose to take the sinner’s crown
Bm7 D F#m E A
As You placed Your crown on me (for me)

CH2:
D A
And in that moment of glorious surrender
D
Was the moment
F#m
You broke the chains in me
D
Lifted out of the ashes
F#m E A E A
I am found in the aftermath
And in that moment You opened up the heavens
To broken, the beggar, and the thief
Lifted out of the wreckage
I found hope in the aftermath

And I know You’re with me
Yes I know You’re with me here
And I know You’re love will light the way

Now all I have
I count it all as loss
But to know You, to carry the cross
Knowing I’m found
In the light of the aftermath

And I know You’re with me
Yes, I know You’re with me here
And I know You’re love will light the way
